KEYLIM MIKVAH GUIDELINES

Health: Don't use if you suspect you might be ill.

Gloves & Mask: You must use **gloves** and a **mask** (bring your own)

Social Distancing: If someone is using the Mikvah, wait at a distance of at least 8 feet. After they leave the area, use the Mikvah.

Hours:

Sunday-Thursday: 8am until 1 hour before sunset.

Friday: 8am until 4:30pm. ← **NEW: DAYLIGHT SAVINGS HOURS**

(You must be done before closing, not arriving at closing time.)

**DO NOT LEAVE
SHAIMOS / GENIZA**

Debris: Do not leave boxes, plastic wrappers, bags, etc.. Put your adhesive stickers on the boxes and bags you brought with you and take them home, not onto the Mikvah.

NOTE: The new relaxed hours depend on self-enforcement of COVID safety protocols and adherence to the rules. There are new security cameras whose footage will be reviewed. If people violate the safety protocols, the mikvah hours will be shortened.

There is a donation slot in the door to the left of the mikvah in back.

Visit www.keylimmikvah.org to donate or to sign up using the form at the bottom of the page to receive updates when there are mikvah time changes and temporary closures.
